Re: Financing Improvements to Village's Wastewater Treatment Plant
through USDA Rural Development

Dear Debbie:

We would be delighted to continue serving the Village of Cass City as bond counsel in connection with the proposed wastewater treatment plant improvement project to be financed through the United States Department of Agriculture Rural Development. According to our firm's policies, I am providing you with our customary form of engagement letter, which spells out the role of bond counsel in assisting the Village.

Bond Counsel's Role

Bond counsel is engaged as a recognized expert whose primary responsibility is to render an objective legal opinion with respect to the authorization and issuance of the Bonds. Our approving legal opinion with respect to the Bonds will be executed and delivered by us in written form on the date the Bonds are exchanged for their purchase price, and will be based upon facts and law existing as of its date. In rendering the opinion, we will rely upon the certified proceedings and other certifications of public officials and by other persons furnished to us without undertaking independent verification of the information contained in the proceedings and certifications.

In performing our services as bond counsel, our client is the Village and we will represent its interests. However our representation of the Village does not alter our responsibility to render an objective opinion as bond counsel. Upon delivery of the opinion our responsibilities as bond counsel will be concluded with respect to the Bonds.

Scope of Bond Counsel Services – What We Will Do

As bond counsel, we would provide the following services customarily performed by bond counsel respecting the authorization, sale, issuance and delivery of bonds:

Debbie Powell
Village Manager
Village of Cass City

October 21, 2021

1. Consult with Village officials and others to explain the legal nature of the proposed borrowing, the Village's power to borrow and the limitations on that power, and consult with Village officials in the design of the bonding program and timing schedules.

2. Prepare all of the necessary resolutions or ordinances, notices, agreements, and other documents necessary to authorize, issue and deliver the bonds. We also would assist the Village in preparing applications to the Michigan Department of Treasury, if necessary, for approval to issue the Bonds.

3. Prepare the bond form for printing definitive bonds for delivery to the purchaser. We will also participate in the bond closing and delivery of the Bonds in order to handle legal matters that may arise at those times.

4. Give the approving opinion as to validity and enforceability of the Bonds and their authorizing documents and, if applicable, opinion as to the excludability of the interest on the bonds from federal and state income taxation.

Our professional responsibilities as attorneys in this matter will be limited to interpretations of law and other legal issues and the drafting of legal documents. We are not registered municipal advisors under the federal Dodd-Frank Act and therefore we will not assume the responsibilities of a municipal finance advisor or the professional responsibilities of any other advisor with respect to non-legal matters.

Additional Services

We believe that the above services encompass the normal scope of bond counsel activities. Because we are not the Village's general counsel, our engagement in this matter is not an undertaking at this time to represent the Village or its interests in any other matters for which we are not separately engaged.

Our services as bond counsel do not include activities outside of that norm, such as review of construction contracts, condemnation, title issues or recording deeds involved in land acquisition, representation of the Village in litigation or administrative proceedings that might arise in connection with the Bonds. In the event that serious matters or matters outside the norm arise in these areas, we would provide you at that time with a fee quote for such additional services.

Conflict of Interest Policy

Our firm is one of the largest in Michigan. In addition to having the largest public finance practice in the State, our attorneys represent a great many clients and our practice is in many different legal areas. We are not representing and do not intend to represent any other party in this financing. We do not believe that our representation in unrelated matters of the various other parties both in and out of the municipal area will affect our ability to serve the Village as bond counsel.

MILLER, CANFIELD, PADDOCK AND STONE, P.L.C.

October 21, 2021

Because we are a large firm with many clients we are asked occasionally to represent a client in a matter adverse to a community which we represent as bond counsel. We, of course, would decline to represent any client in a matter involving the Village that would conflict with our services to the Village as bond counsel for the Bonds. Moreover, before we would represent a client adverse to the Village in any area not involving the bond issue, we would advise the Village before undertaking such representation.

Bond Counsel Fees

Bond counsel fees and expenses will be paid from bond proceeds which the Village will receive from Rural Development. Once you get Rural Development approval of a loan amount, we will give you an estimate of fee as bond counsel.

We welcome this opportunity to be of service to the Village and look forward to working with you. If you have any questions about this letter or our services as bond counsel, please give me a call.

Very truly yours,

Miller, Canfield, Paddock and Stone, P.L.C.

Village of Cass City

Section 504 Grievance Procedure

(Incorporates Due Process Standards)

SECTION 504 GREIVANCE PROCEDURE

It is the policy of the Village of Cass City not to discriminate on the basis of disability. The Village of Cass City has adopted an internal grievance procedure providing for prompt and equitable resolution of complaints alleging any action prohibited by Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) of the U.S. Department of Health and Human Services regulations implementing the Act. Section 504 prohibits discrimination on the basis of disability in any program or activity receiving Federal financial assistance. The Law and Regulations may be examined in the office of the Village Manager, Section 504 Coordinator, 989-872-2911, who has been designated to coordinate the efforts of the Village of Cass City to comply with Section 504.

Any person who believes she or he has been subjected to discrimination on the basis of disability may file a grievance under this procedure. It is against the law for the Village of Cas City to retaliate against anyone who files a grievance or cooperates in the investigation of a grievance.

Procedure:

- Grievances must be submitted to the Section 504 Coordinator within 30 days of the date the person filing the grievance becomes aware of the alleged discriminatory action.
- A complaint must be in writing, containing the name and address of the person filing it. The complaint must state the problem or action alleged to be discriminatory and the remedy or relief sought.
- The Section 504 Coordinator (or her/his designee) shall conduct an investigation of the complaint. This investigation may be informal, but it must be thorough, affording all interested persons an opportunity to submit evidence relevant to the complaint. The Section 504 Coordinator will maintain the files and records of the Village of Cass City relating to such grievances.
- The Section 504 Coordinator will issue a written decision on the grievance no later than 30 days after its filing.

- The person filing the grievance may appeal the decision of the Section 504 Coordinator by writing to the Village Council within 15 days of receiving the Section 504 Coordinator’s decision. The Village President of the Village of Cass City Council shall issue a written decision in response to the appeal no later than 30 days after its filing.
- The availability and use of this grievance procedure does not prevent a person from filing a complaint of discrimination on the basis of disability with the U.S. Department of Agriculture, Office for Civil Rights.

The Village of Cass City will make appropriate arrangements to ensure that disabled persons are provided other accommodations, if needed, to participate in this grievance process. Such arrangements may include, but are not limited to, providing interpreters for the deaf, providing taped cassettes of material for the blind, or assuring a barrier-free location for the proceedings. The Section 504 Coordinator will be responsible for such arrangements.

At a June 24, 2024 Regular Meeting of the Village of Cass City Council, a motion was offered by Trustee _____ and supported by Trustee _____ to adopt the Village of Cass City Section 504 Grievance Procedure.

RE: Approve Downtown Parking Lot Improvements

One of the 2024 Strategic Planning Goals of the Village Council is Downtown Parking, to improve parking availability and to consider diagonal parking on Main Street. I have been working with the Downtown Development Authority on adding parking to the Municipal parking lot behind Gilligans and Revive after the demolition of the house at Leach and Pine. The DDA house will be demolished Monday/Tuesday of next week, and plans are in place to grade and place millings in that space for parking.

It was hard to get quotes from busy contractors for the work to be done on the municipal parking. I was referred to Adam Wood, the school contractor who is doing the parking lots, as he has millings to get rid of and is already in the area which could decrease mobilization costs for both the DDA portion and Village portion of the parking lot. I contacted Adam Wood and received the included quote to place fines, grade and compact the area to improve parking, in the amount of \$5,300.

Funds are available in the General Fund, Public Works account #101-441-800.

MOTION: Approve Quote from Adam Wood for Municipal Parking lot improvements in the amount of \$5,300 from account #101-441-800, General Fund Public Works

SUBJECT: Approve Quote for replacement of Wellhouse roofs

We need to have our roofs replaced on our 3 wellhouses. Wellhouse 1 and 2 roofs are 30 plus years old and wellhouse 3 is 20 plus years old, which makes them past their useful life. Roof replacements in the amount of \$10,000 for the wells was included in the Capital Improvement Budget for 2024. The final quote came back higher due to the roof uncertainties of wellhouse 1 and 2 due to age. Staff recommends we start with completing wellhouses 1 and 2 roofs, and if monies are still available the contractor will also complete wellhouse 3. If wellhouse 3 roof is not completed this year we will add it into the Capital Improvement Budget for 2025.

Funds are available in account #591-002-970 for \$10,000 and #591-002-800 for \$1,000

Marlette Roofing and Sheet Metal is our local contractor of choice for these specialized flat roofs. They will remove ballast stone and old rubber and install new materials including a 60 mil rubber roof with new metal edge.

MOTION: Approve the quote by Marlette Roofing and Sheet Metal for the replacement of wellhouse roofs, in the amount not to exceed \$11,000.00.

Subject: SRO Memorandum of Understanding Approval

The most recent School Resource Officer (SRO) Memorandum of Understanding (MOU) between the Cass City Police Department and the Cass City School District expires June 30, 2024. Cass City Planning Commission Meeting
Minutes of May 15, 2024

PRESENT: Gary Barnes, Barbara Kirn, Colleen Langenburg, Joe Leeson, Eric Oslund, Dallas Rabideau, Heather Severance, Village President Robert Piaskowski

Village Staff Present: Village Manager Debbie Powell, Nanette Walsh, Clerk/Treasurer

Excused: Erik Tamlyn

The Ad Hoc Committee reported that the proposed Ordinance# 201 was discussed and proposed edits would be completed by Leeson, and presented at the June 19, 2024 meeting.

Manager Powell gave a brief presentation on the process for Alley Vacation. Upon research from the surveyors, the parcel assumed to be an alley, south of Third Street, is an undocumented parcel per the Tuscola County Register of Deeds, therefore no known owner is listed. This parcel may revert back to the Village of Cass City.

Chairman Leeson recapped that the fence on the "alley" situation needs to be addressed, and the "alley/undocumented parcel" needs to be resolved to allow for combination of the two Village-owned properties (formerly owned by the Doerr Family).

Manager Powell updated that the two Village owned parcels in the Industrial Park need to be re-zoned to Industrial, which may be necessary with a future proposed sale of these parcels.

Motion by Langenburg, supported by Kirn, to recommend the re-appointment of Joe Leeson, Erik Tamlyn, Gary Barnes and Heather Severance to an additional term to the Cass City Planning Commission. Motion carried.

Manager Powell gave an update on a zoning inquiry from Patriot REI on a proposed development in the northwest quadrant of Cass City. Powell is working with the developer for proper setbacks and zoning requirements.

The next scheduled Planning Commission Meeting shall be Wednesday, June 19, 2024, at 7:00 pm.

RE: June 2024 Manager's Report

Former Nestle Building

I have been asked on many occasions what is happening with the Nestle Building. There is a three-year grant in the amount of \$600,000 for environmental assessment and remediation. There has been a lot of activity by the SME, the environmental contractor, in testing for contaminants. Work plan 1 is completed and apx. \$55,000 has been spent to determine environmental concerns and an air quality remediation plan. Tuscola County EDC is administering the grant and met with Ron Anderson (owner), EGLE representatives, and myself to get updated. Work plan 2 is being prepared and will include removal of dirt piles at the back of the building, interior plans for remediation, and potentially removal of the building windows. I was told that if the windows which require lead abatement could be removed then the openings could be boarded up and the exterior of the building painted and refreshed. I remain hopeful that this could occur in the fall. For now, the work is being done inside the building and therefore gives the appearance of no progress. At our June 4th meeting, EGLE was very happy with the work that has been done and the progress. As more information is available, I will keep you updated.

Cultural Center Update

On June 19, I met with representatives of the nonprofit group Cass City Historical Cultural Center Museum (CCHCCM) after they toured the inside of the Cultural Center. They were in shock over the deterioration of the interior of the building. They showed me pictures of a hole in the roof, a large hole on the second floor, and all the moss growing on the first-floor tiles. It is apparent that the roof allowed substantial water infiltration that caused extensive damage. The Board of CCHCCM was unaware of the terrible condition of the interior of the building. CCHCCM informed me that they are no longer interested in the project, it is beyond their capabilities to fundraise for such costly repairs. CCHCCM has notified the Tuscola County Land Bank, grant recipient, that they will not be partnering with the DDA for this project. The

Land Bank meets the first Tuesday of the month at 8:15 in the Purdy Building. I anticipate having more information to share after they have an opportunity to meet.

DFA Retention Call

On June 20, I attended a DFA Retention Call with representatives from Tuscola County EDC, MEDC, GST Mi Works, and MDARD. We discussed how we could assist DFA with their current operations and future growth. At this time, there are no plans for expansion; however, DFA annually reviews their capital investment in Cass City and a meeting is scheduled in August.

A concern raised by DFA for the Village to consider the need for workforce housing. I routinely hear the same comments from other major employers in the village too. I participate in the Region H Housing Task Force and actively pursue information on grants, programs, and other incentives for housing in the Village.

Edwin Allen Homes

On June 7, RJ Klaus and I met with Brian Farkas a representative of Edwin Allen Homes. The Village owns 7 acres of undeveloped land in the village. We have been approached by Edwin Allen Homes to consider a public/private partnership. The Village would put in the underground infrastructure and road, and the developer would construct 34 Single Family Units. The housing would be attainable for workforce housing and the missing middle and be available to rent. The Village would have to bond for our part to be paid back through Tax Increment Finance (TIF). It is a new program (2023) the State is offering to incentivize new housing. We are at the preliminary stage and if there is interest from the Village Council, we could schedule a presentation at a future Committee of the Whole meeting.

EGLE Tour of WWTP for Flood Plain and Project Permits

Representatives from EGLE were on site June 4 to tour the WWTP in advance of reviewing our permits for the renovation and flood plain. Obtaining permits is the next step in the project and could take months. We explained several matters that made the prompt timing of the review to be imperative for our operations. Specifically, that we have one of our RBC trains that is out of operation, and we have lost the redundancy and backup for our processing.

Marketing, Branding & New Logo Project Starts

On June 11 staff held our kickoff meeting with Kim Rivera of New Moon Visions. We discussed the research and information that both staff and Kim will be doing. We reviewed our respective roles, responsibilities, and the workflow process. We discussed the lack of professional photography of the Village and how we might engage the public to supply some of their personal photos to be used in our marketing materials. We established a Cass City statement to use for marketing and branding as we do not have a formal adopted Vision and Mission statement. The staff is compiling a list of community stakeholders and places for Kim Rivera to meet and see when she visits Cass City on July 11 and 12. This is part of the discover phase of the project which includes discovering community core values, crafting a brand story and

identity statement, and establishing a small committee (5-7) for input prior to the creative phase of brand identity development. We will be seeking volunteers.

Annual Employee Meeting for Retirement & Healthcare Held

On June 17 our annual employee meeting was held concerning retirement and healthcare benefits. Andrew Smith with MERS gave an educational presentation on our defined contribution plan and retirement planning. Rahshaan Watson with MESSA prepared a presentation that outlined various health care options for the village and their benefits and costs. She also introduced the Wellness Program with many resources and benefits for employees to stay well. A survey will be compiled from employees to see if there were specific topics they would like to receive information and a future MESSA Wellness Program may be provided to staff.

Child Care in Cass City

I have been told on multiple occasions that there is a need for more childcare providers in Cass City and this region. The State will study a matter and determine if there is a need and how to assist. The three-county area of Tuscola, Huron and Sanilac have formed a Childcare Coalition. A meeting was held on June 18 to go over the two goals our Coalition has established. 1) to engage employers to support employee childcare needs; and 2) to reduce cost barriers for families seeking childcare. The United Way administers two programs with cost sharing benefits called Tri Share and Duo Share. Two July meetings at a location in Tuscola and Huron County are planned for employers to engage and educate them on child care and cost sharing measures for their employees. As more information becomes available it will be shared with you and the community.

Cass City has a lot going on, and that's why we are the place to be!

Enjoy our Freedom Festival and all the Family Fun July 4-6!

What is Workforce Housing?

Workforce Housing generally refers to housing for residents earning between 80% to 120% of the area median income (AMI). In other words, housing priced for a majority of current housing demand which typically includes teachers, police officers, nurses, etc.

Workforce Housing is also referred to as **"Attainable Housing"** and **"Missing Middle"**.

Due to recent changes in the law, Allen Edwin Homes' can now collaborate directly with local governments to build quality 3- and 4- bedroom homes to a underserved market by investing \$20 million to \$50 million annually in new Workforce Housing. **We have already solidified projects in White Cloud, Laingsburg, Jackson, Hillsdale and anticipate even more coming soon!**

We offer inventive solutions that incorporate Retail Sales and Market Rate rental single family homes.
