**Village of Cass City
Day Camp Program
2021 Rules**

There are times when it is necessary for the Cass City Parks & Recreation Department administrators to make a decision concerning the acceptability of a child's behavior in the Day Camp Program. These decisions must be based on the welfare of the total Day Camp community and how the behavior problem will affect the learning and playing environment. The following Day Camp Rules have risen out of a need to discipline unacceptable behavior. Please read all rules and discuss these rules with your child/children.

- Engaging in conduct that disrupts or interferes with the Day Camp Program will not be tolerated. Examples: The use of violent force, noise, coercion, threat, intimidation, fear, passive resistance, inappropriate language, or any other comparable conduct.
- Vandalizing school or Day Camp property. This includes, but is not limited to, damaging games, tables, chairs, bathrooms, or park equipment.
- Repeatedly refusing to follow the directions of the Day Camp Counselor or Director, engaging in acts of serious disrespect to Day Camp employees or violation of any Day Camp rules and policies will not be tolerated.

If your child causes any issues they will be subject to exclusion from the program. The Day Camp is a privilege not a right; we will not allow children that cause a measurable disruption to be in our program.

If your child is excluded from our program and you are a season pass holder, a refund may be issued on a percentage base for the days remaining in the program season.

I acknowledge that I understand that my child may be removed from the Day Camp Program for ANY reason and may not return for the remainder of the season.
